## SAUVIGNON BLANC 2018

---

### VINEYARDS

The grapes come from the Kuinto region of the Adelaide Hills. The yields were cropped between 2-3 tonne to the acre for extra intensity of flavour.

---

### WINEMAKING

Destemmed, crushed, chilled and pressed. Cool fermentation in stainless steel. A new aromatic yeast.

---

### OAK TREATMENT

Oak Free

### TASTING NOTES

This Savvy shows tropical and citrus fruit characters here along with just a touch of sweet, green herbs. There is a lot of cut and drive too and long, mineral finish. The quenching freshness and bright citrus tang, a legacy of the vintage makes this irresistible right now.
